

## **2017 Alfaro Family Vineyards Estate Rosé of Pinot Noir**

**Delicate salmon pink in color, dry in style, with the essence of fresh raspberries, watermelon, and strawberries on the palate. This rose is a light bodied wine that is wonderful by itself as an aperitif and pairs well with poultry, fish and most meats. Best served chilled.**

**The grapes were de-stemmed and placed in tanks where the grapes' own weight did the crushing. After 20 hours on their skins, the grapes were pressed and the juice was cold-fermented in stainless steel for 4 weeks. Next the wine was aged 4 months in neutral oak.**

**13% alcohol
